Lost your job? Working fewer hours?

You can start a movement with Ur Union of Unemployed, nicknamed UCubed, an online community designed to unify the unemployed in a unique and useful way.

Connect and take control of your future. Demand our nation's leaders act to create **JOBS Now!** and quickly craft policies that will help turn our economy around. Use the legislative action center to turn up the heat on politicians from the State House to the White House on key issues, such as jobs, unemployment insurance, COBRA and food stamps.
